About

The Currency Fair returns to Dubai in 2027, bringing together collectors, dealers, exhibitors, and enthusiasts for another celebration of the fascinating world of banknotes and coins.

Now entering its fourth edition, the fair continues to build a meeting point between the international numismatic community and the rapidly growing collecting market in the Middle East.

Visitors can expect an extensive selection of banknotes and coins from different periods, countries, and collecting categories, ranging from newly issued pieces and modern releases to scarce and historically significant items. The fair will provide an opportunity to discover new material, meet established dealers, explore specialist products, and connect with fellow collectors from around the world.

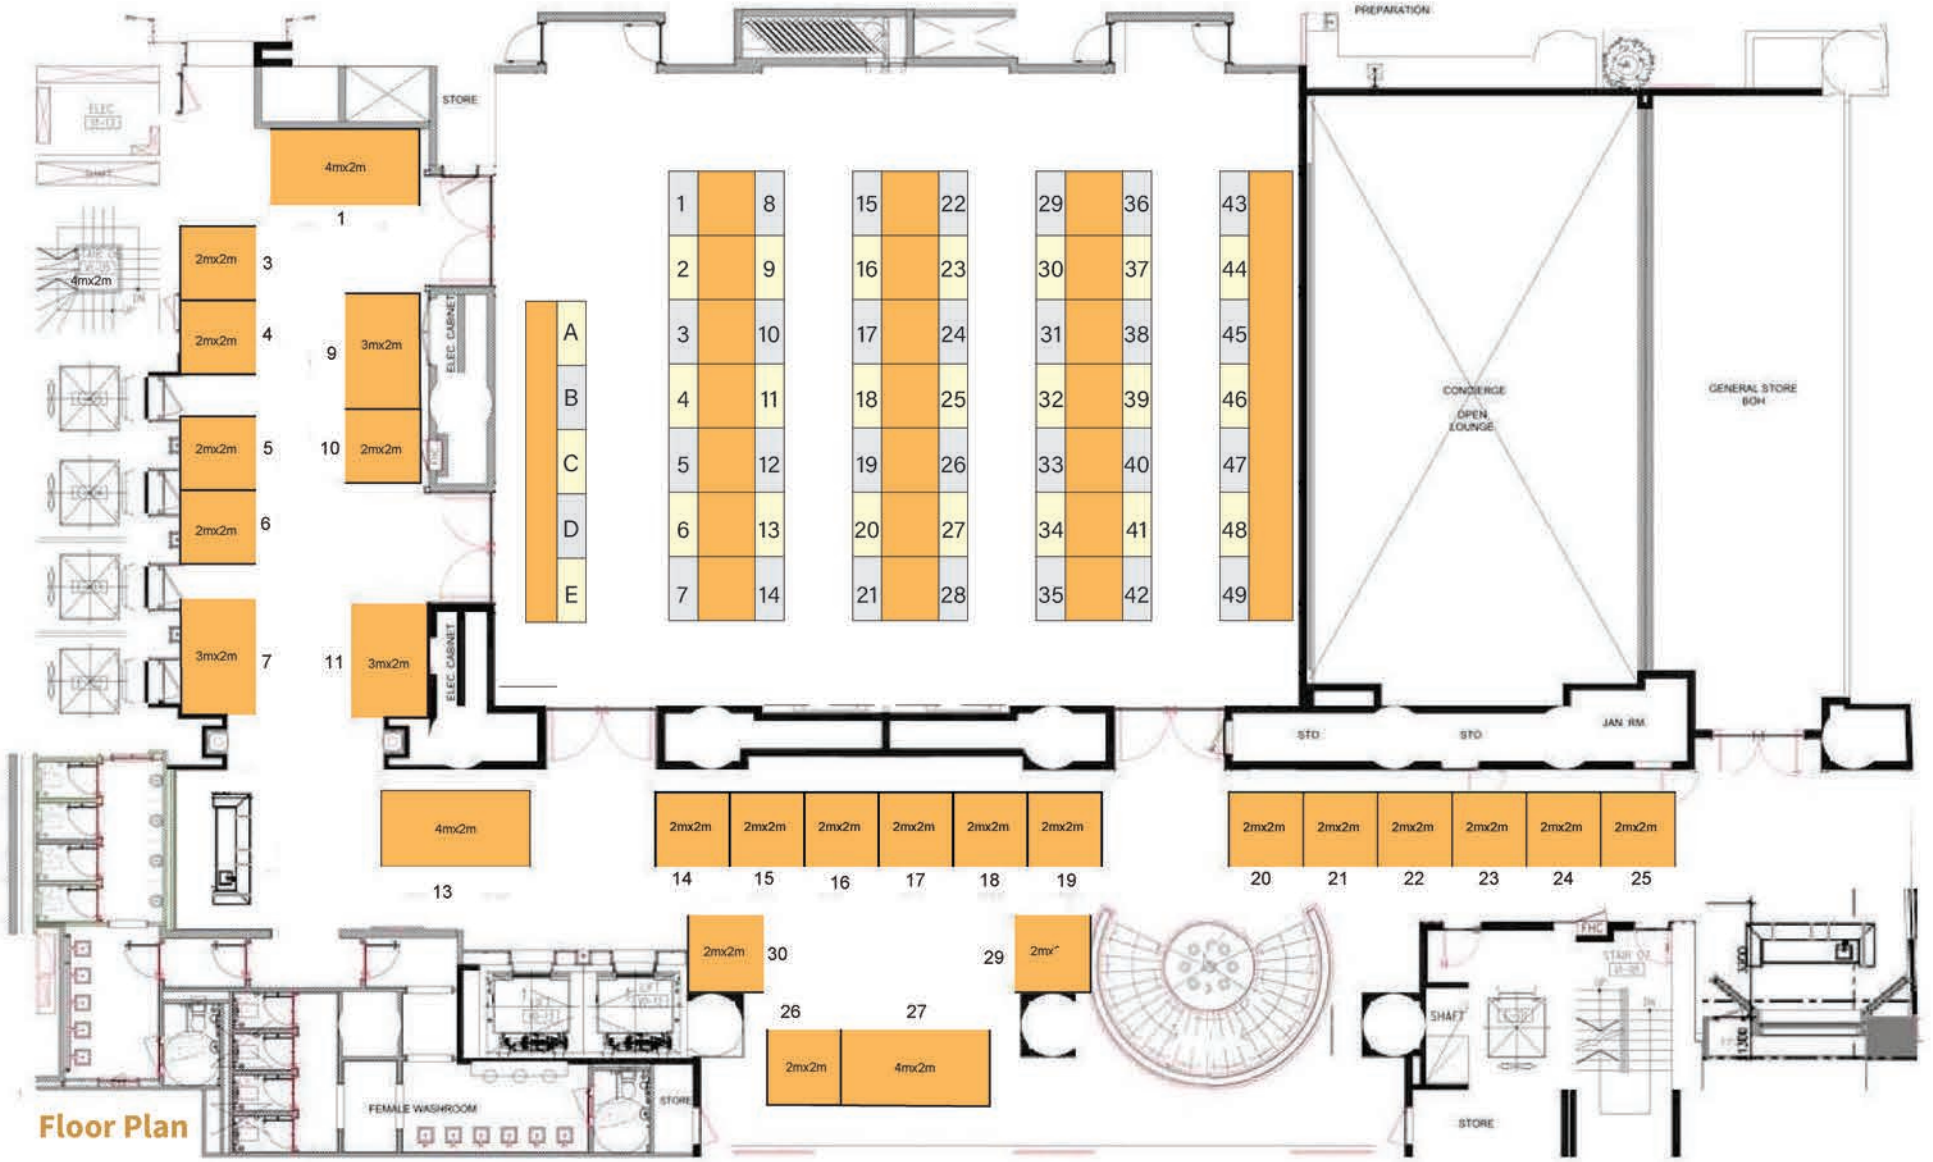

Whether you are an experienced collector, a professional dealer, or simply discovering the world of numismatics, The Currency Fair Dubai 2027 offers an opportunity to explore, connect, and experience the international collecting community in one place.

We look forward to welcoming you to Dubai for the fourth edition of The Currency Fair.
